

Safe Management Measures Circular

Hereby inform: with the surge in COVID-19 confirmed cases of community infection, the government has tightened measures. Our Clinic will take stricter precaution to reduce the risk of transmission. **Acupuncture treatment will be suspended from 18th May till further notice.** (General consultation as normal)

Please postpone the date of consultation if not necessary. In view of the situation, physicians could prescribe more days of medication if deem appropriate.

Public to use TraceTogether app or token for entry into our clinics' premises.

NRIC barcode scanning check in will not be allowed from 1st June.

Safe protection is the responsibility of each and every one.

We apologize for any inconvenience. Thank you.
